

Accredited Emotional Logic Training for your staff team

Hope Wisdom Freedom

Foundation Award training now available in Cornwall

Following a warm welcome at the Cornwall CASH and CAPH conferences this summer and interest from a range of schools and advisors, we are delighted to be able to offer Cornwall's first Emotional Logic Foundation Award course for schools.

Did you know?

Our Foundation Award is accredited through the CPD Standard's Office and comes with 60 CPD points.

We have also been awarded the DFE's Matrix Standard Accreditation for the quality of our information, advice, guidance and support.

The Foundation Award in Emotional Logic

As discussed at the recent CAPH and CASH conferences, this Foundation level of training qualifies you to use our unique kinaesthetic teaching materials and lesson plans to teach Emotional Logic skills to individuals or groups of pupils using safe, imaginary scenarios. It also enables staff to apply their training to themselves and their own families in order to improve communication, deepen relationships and increase personal resilience.

The Foundation Award is delivered over seven weeks through a combination of two face-to-face days plus around three hours a week of online learning and course work.

The two training days plus the online learning takes approximately 30 hours.

This level of training costs £360 per person. Your school will also need to purchase a one-off set of resources and lifetime print licence for the school, which costs £250.

The school pack contains a wide range of resources and lesson plans which will enable staff to teach Emotional Logic concepts to children from ages 5-18.

The staff training we received was fantastic. It made all our staff see things from a different perspective and started us on our Emotional Logic journey. In over 20 years I don't think any other training has had quite the same response from staff and I have many staff requesting further training.

Emma Newman, SENDCo, Moorsway Federation

Special Offer Only For Cornish Schools!

After many years of running these courses in Devon, Plymouth, Torbay and Somerset, this is our first course held in Cornwall. With this in mind, our partners at cornishcritters.com have been fundraising over the last year so that we can provide a **buy one place, get one free** offer just for Cornish schools! This has never been available before and will save you the full £360 on your second colleague.

The training will take place at the **Victoria Conference Centre in St Austell**.
Day 1 will be on Wednesday 21st October and **Day 2 on Monday 23 November**.

If you are interested in securing places on our course, please follow this [jot form link](#) below to register. Note, you will need your PO number for the invoicing process in order to complete the registration.

[Click here to book your place](#)

Application deadline is Friday 18th September.

If you wish to book more than two places, please contact us as soon as possible on info@excitingeducation.co.uk as discounted places are limited.

The Emotional Logic training, support and instructors are phenomenal.

The knowledge and skills I have gained from them have enabled me to help both children and adults make massive improvements along their emotional journeys, to understand what they are experiencing, and to find their own light at the end of the tunnel.

Nathan White
SENDCo and EYFS Lead,
Mayflower Community Academy

**A huge thank you to the team of volunteers
at Cornish Critters who have raised funds to
provide free training for school staff**
